

MVLS System Trustee Orientation

Welcome to the Board of Trustees of the Mohawk Valley Library System. MVLS is one of 23 Public Library Systems in New York State. We provide service to member public libraries in four counties: Fulton, Montgomery, Schenectady and Schoharie; and are an independent extension of the State Education Department's Division of Library Development. We are governed by a Charter, By-Laws, Mission and Plan of Service. Your service on the board will help guide and implement that mission and plan. Thank you for your willingness to serve.

Most of the background documentation that you will need to get up to speed on MVLS can be found on the system's web site at www.mvls.info. This orientation packet includes links to specific pages on the web site.
