

# Hello! Library Grown Programs

Hello, it's me

I was wondering if after all these years you'd like to meet

To go to an Art Scene, A Big Board Gamerama.

They say that Chalk of Fame's supposed to heal ya

But I want an Epic Dance Party.

Hello, can you hear me

I'm at a Fire Engine Petting Zoo dreaming about Gaming On.

When we were Hula Hooping,

I've forgotten how it felt before Interactive Movies fell at our feet

There's such a Junk Journal between us

And our Kraft Jamming.

Hello from the other side

I must have called a thousand times

To tell you about the Library on the Lawn

But when I call you are at the Maker Faire.

Hello from the outside

At least I'm having a Ninja Warrior Field Day,

Until the Oxygenation Science Explosion.

But it don't matter it clearly doesn't tear you apart anymore

Hello, how are you?

It's so typical of me to talk about Palooza Anything,

I hope that you're Quidditch

For Muggles, Did you ever make it out of that town with Recyclables and  
Resusables?

It's no secret that the both of us  
went on a Storybook Hike.

So hello from the other side

I must have played a Tie Dye Tri

To tell you I'm sorry for the Unprogramming Extravaganza,  
But when I call you are very veggie gardening.

Hello from the outside

At least I can say that I've Writtit.

To tell you I'm sorry for breaking your heart

But it don't matter it clearly doesn't tear you apart anymore

Oooooohh, Xploratorium

Oooooohh, Xploratorium

Oooooohh, Xploratorium

Xploratorium

Hello from the other side

I must have called a thousand times

To tell you about the Yu-Gi-Oh Tournament.

But when I call you never seem to be home

Hello from the outside

At least I can say that I've tried

To tell you I'm sorry for the Zombie Zumba.

But it don't matter it clearly doesn't tear you apart anymore
