Astrology Stitch Greeting Card

STITCH // Use embroidery thread to backstitch along the dashed line between the stars (making sure to go under the stars with your thread). It's that simple!

FOLD // Fold your card in half. (Optional) To cover up stitching - using card stock, cut out a blank sheet that is the same size as your card and glue it to the inside.

WRITE & SEND // Write to a friend and send your card off in the mail.

Check out our other free downloadable Astrology Posters [here](#). Share your astrology stitch cards with us by tagging your photos [#foxtailmakes](#).
