

Green Screen by Do Ink

Works with Apple Devices

Rated for Grades: 3-12

Cost: \$2.99

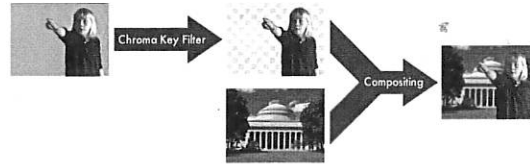

Pros: Great tutorial with examples and easy to save and send to email.

Cons: Requires some time prep time setting up the green screen and prepping the images or the video. Hard to find stock movies for background from YouTube or free stock video sites.

Other Supplies: Green paper or green tablecloth for background, and props.

Uses:

- Animated book reviews
- Program pictures
- Staff fun
