

More Messages: (what other libraries are saying about Beanstack on their Facebook pages)

Beanstack makes selecting stellar books simple! Check out this helpful video:
<https://youtu.be/ctZfijPKdH4>

Or

Debuting today: _____ Library's very own Beanstack! Discover great kids' books and achieve reading rewards.
Plus Beanstack is how you'll log your Summer Reading this year. Get started for free at _____.

Or

New! Based on your child's age and interests, you'll get recommendations of books handpicked by OUR staff, not by robots, and tips for activities and apps too. Give Beanstack a try and let us know what you think.

Or

Beanstack is a free app that matches up your child's reading level, interests, and age with personalized book recommendations from the people that know books best – librarians!

Check it out here: <http://mv1ssals.beanstack.org/>

Another Marketing Poster: (Collect pictures of your patrons reading!)

A personalized service for families with young readers

Beanstack

For kids 12 & under

- This free service recommends library books matched to your child's interests.
- Discover learning tips, activities, and other tools for building literacy.
- You can also browse recommended children's mobile apps.
