

TAKE YOUR CHILD

TO THE LIBRARY!

Take Your Child to the Library Day * Feb. 4, 2017

How does our library impact the lives of our youngest patrons?

- Keeps our children fascinated with learning
- Connects with our larger community -- one that values reading and learning
- Helps our children enter school ready to learn
- Enables technology access for youth who otherwise could not afford it
- Develops strong digital literacy skills
- Gets the word to parents about the importance of early literacy skills
- Creates opportunities outside of school to learn and develop new skills and interests with other children and adults
