

### Babies – Feelings

Hand out baby faces to children and sing song. Children bring up their “baby” when they hear the feeling they have in their hand.

(Sung to the tune of “If you’re happy”)

If your baby’s feeling happy, come on up.

If your baby’s feeling happy, come on up.

If your baby’s feeling happy, then it’s time to take a nappy,

If your baby’s feeling happy come on up!

Sleepy
