Call to Order MVLS Board President Bill Bonner called the meeting to order at 5:33pm.

Bill introduced himself and thanked everyone for attending this virtual board election meeting. This is a new process that was developed by the MVLS Governance Structure Review Committee, which convened from January to May of this year. The first order of business is to elect someone to run this meeting. Bill called for any nominations from the group for the election of a meeting chair.

Madelyn Thorne nominates Bill Bonner. Ayes – All. Nays – None.

The second order of business is a roll call. There are two seats on the MVLS Board that will be opening at the beginning of 2026. Two current MVLS Board members, April Davies of Schoharie County and Haileab Samuel of Schenectady County, have been nominated to second terms on the MVLS Board. Library representatives can vote for either of these nominees, or any write-in nominees they may have. Each MVLS member library board notified MVLS of who their representative would be at this meeting.
